Club officer presiding over the meeting was Kelsey Haas. This was a regular scheduled meeting.

Kelsey Haas greeted everyone to the first meeting of the new 4-H season. Kelsey led the Pledge of Allegiance and 4-H pledge.

We received green folders with our club calendar, 4-H project information and copies of emails that had been sent prior to the meetings. The 4-H member's that didn't go to the banquet had their Star Member medallion and certificate in their folders.

We went around the room and introduced ourselves. Told everyone how old we were, what school we attend and what projects we are taking in 4-H. New members had to tell who invited them into the club.

Everyone visited and got reacquainted while we conducted sign-ups.

We discussed projects.

People that were already signed up went out to the barn to look at the rabbits and dairy feeders.

Dody discussed what to expect during the 4-H season.

Activity: Learned how much feed we should give our animals a day. Used a scale and weighed out different animals feed. 4 lb. of dairy feeder feed is not the same as 4 lb. of hog feed.

Next meeting is March 10th @ 7:00 pm and Ron and Dody's house.

Meeting adjourned.
